

Region I RICC Meeting
August 16, 2007
12:00 noon

Present were: Tim Coughlin, Barb Olson, Jaret Cvancara, Erica Nelson, Pat Hatlestad, Harlen Fixen, Kathy Molland, Sonie Owan, Cindy Gardner, Darlas Rogers, Betty Omvig and Dotty Wamre

Introductions were made.

Minutes of last meeting were distributed.

Tim Coughlin stated Elizabeth Erickson has expressed interest in being Region I Experienced Parent. Waiting for her to complete paperwork.

Rose Shafer was unable to attend today's meeting, however asked that Tim report she has signed on another year with Right Track and will be funded at the same numbers as last year.

Betty handed out the 13 priorities assigned to the RICC committee, which are attached to these minutes.

Review of the QIP (note attachment) followed with much discussion. State office is in the process of reviewing. We will wait for these comments.

While reviewing the QIP, discussion was held regarding the fact that Regional Infant Development staff have not been trained on hearing screenings. If Infant Development staff suspects the child has a significant hearing delay, staff encourage parents to get a referral from their physician and see an audiologist. Child is screened at birth and the staff gets that record.

Meeting adjourned at 1:30 p.m.
